Mission Statement

To raise awareness among the student body and reduce waste around the school and community.

Goals

1. Start a recycling system in the school
2. Keep school yard clean
3. Create an awareness campaign for the student body.
4. Active participation in environmental projects in the community. (ex. Earth Day Celebration)

Purpose

1. To provide students with the opportunity to learn more about their surroundings, participate in service projects at school and in the community.
2. To promote environmental awareness and develop social and life skills.
3. To increase student awareness of environmental issues and give them power to make change.
4. To provide opportunities for students to become directly involved in a variety of projects relating to the environment
5. To promote environmental awareness and empower students to take action and work toward building a sound environmental ethic.
