

# Lightning Bolts Rocketry Club

A new club is coming to OMS in the  
Fall of 2011!!!!

Sponsors: Ms. David and Ms. Mohammad

Mission: To learn about rocketry design, flight, and create a rocket that can take a passenger egg a distance of 750 ft into the atmosphere!

The Lightning Bolts will meet the third Tuesday of each month after school till 4:30 pm beginning September 20, 2011.

*The Fine Print: To participate in this club you are expected to maintain no lower than a C average in all classes. As representatives of OMS, students involved with this club are expected to behave according to school rules and expectations. ISS will result in immediate removal from the Lightning Bolts Rocketry Team.*

***Students who do not meet these expectations will not be allowed to participate.***
