*Let us lead by  
serving others.*

## Mission Statement:

Let us lead by serving others.

## What We Do:

- Perform service projects, including sending care packages to the troops in Afghanistan, campus beautification projects, and making cards for the local nursing home residents.
- Participate in the state convention in Nashville and, if we win at state, the national convention held in various states.

## Who we are:

The National Junior Beta club is a nationally recognized student club that promotes high academic achievement, leadership, service to others, and good character. There are over 8,000 Beta clubs across the United States.

At OMS, our club seeks to encourage our members to live up to a high standard and become the best that they can be. We hold strict requirements for membership and expect all members to set the standard for the rest of the school and the community.

## Information about the OMS Junior Beta Club

- Meetings will be held at least once a month.
- Students will be required to participate in club activities, including service projects and conventions.
- Students must maintain high academic and behavioral standards both in and out of school.
- Students must have all more A's than B's, and no C's to remain in the club.
- Students are not to be assigned ISS or OSS while at OMS.
