

Page-turners' Book Club

Oakland Middle School students are welcome to join the Page-Turners' Book club. After reading a selected book, students will meet with Mrs. McGill and/or Mrs. Warren to discuss the different aspects of the book. The primary goal of this club is to promote the enjoyment of reading. Club members will be given a book to read each month. At the next meeting, the members will discuss their thoughts, opinions and ideas. They will then give the book a "thumbs up" or a "thumbs down". If you enjoy reading then you will certainly enjoy this club. There will be a limited number of members since this is a discussion group so please join early. Being a member of this club will cost you nothing.
